

December 30, 2010

To whom it may concern:

Guido Brothers Construction Company has been in business for over 80 years in and around San Antonio, Texas. We are a medium sized general contractor doing commercial projects for both private and public owners.

We first worked with Jasmine Engineering in the 1995 on a project called the Bennack ranch. Currently we are working on a design build project for Harlandale High School where Jasmine Engineering is the Commissioning Agent.

In all of our dealings, Jasmine Engineering has been timely with decisions, complete in their analysis of problem solving and fair in all their dealings. Not only Jasmine personally but her entire staff are dedicated to meeting the owners needs.

We look forward to continuing our successful working relationship and recommend them as a competent, qualified and hardworking company, and they always act with the owner's best interest in mind.

Sincerely,

A handwritten signature in black ink that reads "Thomas L. Guido". The signature is written in a cursive style with a large, stylized "T" and "G".

Thomas L. Guido
Guido Brothers Construction Company, Inc.
